

CELLARS

The one-and-only location
for your company events

EVENTS IN CELLARS A memorable experience

“The Cellars” have been there for more than 20 years already, but they are there to stay. Forever. In the past, countless national and international companies and organizations have experienced this event location as “The place to be”. Remember the “Körperwelten” exhibition or the international “Erotic Festival”. But also reputable companies such as Philips, Tupperware, Paribas Fortis, ULB-university, Procter&Gamble, Pfizer and many others remember the fantastic moments they spent at our unique location.

TAILOR-MADE

Under their classified hall, Abattoir SA is hiding an event surface of no less than 10,000 square meters that can be perfectly measured to your needs. A small (in-)formal gathering or a mega-event with thousands of guests, no worry. We offer facilities for meetings, seminars, company parties, product presentations, dance-parties... you name it and we work out the formula that meets your wildest expectations.

EASILY ACCESSIBLE

Our location can easily be reached by public transport as well as by car; fast and efficient. The “Brussels South” railway station is at a couple of hundred meters and the Clemenceau and Delacroix metro stations (subway) are at a 2 minutes’ walk. Should you come by car, either coming from the ring road or from the centre of Brussels, you just drive up our market place, offering a parking capacity of no less than 1,500 cars. So, no stress at all to find a safe parking for your car.
